“ I was so saddened to hear of Jim’s passing!  
We lived in Lake Jackson, Texas and Jim and Sonja were dear friends and our church music minister and pianists at FBC! They were both so talented and wonderful praise and worship ministers to our church! They were dearly loved and when we moved to Oklahoma in 1980 , Sonja gave me a lot of info on Oklahoma!! I had never been to Oklahoma except driving thru once and we didn’t stop!  
We so hated to hear of her passing and then a big surprise one Wednesday night in choir practice at STBC there was Bro. Jim leading our choir! I couldn’t wait to get home and tell Mark! We had every intention to get together but Mark’s health declined quickly and we missed getting that blessing! Mark passed in July of 2023. Of course Jim would move back having a daughter here! I just want you to know how blessed we were to have had the ministry and friendship in your Mom and Dad! I’m so very sorry for your loss and praise the Lord we have a great reunion coming one day to see them all  
for eternity praising the One who brought us together in this lifetime to enjoy the goodness of the Lord! My prayers for each of you losing a wonderful person . The void is big I know and may the Lord flood it with precious memories!

“ *My family were members at Nichols Hills Baptist in the mid-70s, and Jim Greer's music ministry was a huge part of our faith walk and growing a deep and lifelong love for the Lord during this phase. My mother played tympani for him, and I was in his children's choir - learning my first cantata and forming a foundation of holy joy in the fellowship of other Christian children. Thank you so much for all your family did to make that part of my life so very special. My Mom has been in heaven for 21 years now and I'm sure she was there in Jim's greeting party! God bless you --*
