“ *My deepest sympathy to the entire Haffner family. I met Jim over 42 years ago as a fellow McDonald's employee and we became friends and hung with a great group of people from the Berea McDonalds - we went to concerts, bowled, went to Cedar Point, and many other fun activities, we continued to keep in touch and do things in the summers through college and I was there when he married his treasured wife Denise; I only wish we would have kept in touch - always thinking there is always next year. Prayers and hugs to you all. - Renee Chaya [Strong]*

“ Condolences to the entire family. Great memories of the Haffner home and "farm" in the old days. I remember tall stalks of corn for hide and seek and ghost in the graveyard while older cousins had mini-bikes and other fun things going on there in Berea... Seems like a long time ago but flew past in a moment. R.I.P. Jimmy!

“ So very sad to hear the news of Jim's loss. I have so many happy memories of being welcomed into the Haffner home throughout my childhood, and Jim and Bob were just a tiny bit older, so we had much in common. Praying for peace and comfort for all.
