“ *I knew Janeeta and Perry from Watercolor Art Society Houston. I met Janeeta about 15 years ago and we were friends instantly. Then I met Perry soon after . Janeeta was a very talented Artist and Perry was not happy if she didn't get the awards ! He was quite outspoken and supported her in her artistic talents. I appreciated that. Although I hadn't seen them in a while I thought of them often. Janeeta would sometimes work the office for me when I went on vacation and she also helped as a volunteer on occasion at WASH. God Bless. Martin My heart and prayers goes out to all her family. I will miss them both.* ”

“*'Our sincere condolences to Janeeta"s family. Janeeta and Perry were very close friends of both my wife and I. I have known Perry for 49 years and Janeeta for about 42 years. Perry was my best friend and we went to college together in Gainesville, Florida. While living in Tampa Janeeta was a roommate of mine and I introduced her to Perry. My wife and I lived with them for about a year 1980-1981) in Scott, Louisiana while we saved money to buy a house. My wife (Janelle) and Janeeta have been close ever since. We considered them both best friends. About a year ago Janeeta thanked me for introducing her to Perry. Their marriage was one to envy, they were true soul mates. My wife and I will miss them dearly and grieve in their passing.'*
