“ *We thought the world of Dr. and Jean Hudson. He was our doctor in Barnsdall, OK, while we were growing up. Tom's Grandma Pace babysat with the Hudson children for years and loved their family dearly. We were blessed to come into contact with Jean and the family again when we moved to Owasso recently. She was such a beautiful person ---- inside and out! She will be dearly missed and our love and prayers will continue for Dr. Hudson and the whole family at this difficult time. '*
