“ *'Jenene, you were a wonderful, caring person with a heart like I've never known. You taught me much in the too brief time I had the honor of knowing you. The world is a little dimmer place without you in it. \r\n\r\nDoug, I am so sorry. I wish there were words or deeds that could ease your pain. Cherish the memories you will always have of your beautiful Mother. \r\n\r\nBre, I love you as if you were my own. Make every breath you take be in Grandma's honor. She loved you in the most amazing way and each and every day, she was that much more proud of the young lady you are becoming. Lean on us, hon, whenever you need to and even when you don't. I love you!'* ”
