“ ‘Oh how I am going to miss my dear friend Tony. Every year for years and years, Tony would call and sing happy birthday to me on my birthday. He never missed it. My prayers go out to his family and loved ones. To Shirley for taking such good care of him, loving him and following his wishes to the letter. We have lost a very special man and Heaven has gained an angel (One of his favorite songs was Seven Spanish Angels). Tony I will miss you. I hope that I was as good a friend to you as you were to me. "Quimmie" will miss you.’
