“ *I used to see Butch at race tracks around the country. He always stopped me and told me how much he loved my pictures and stories I wrote in Flat Out magazine. Although I didn't know him on a personal level, he was a nice man and I appreciated the kindness he always showed me. RIP Butch.* ”

*Butch will be missed. He was an avid racecar fan. Didn't miss many as long as he was able to go.
He was always a supporter of Cowetain School's Sports. We enjoyed visiting with him at McDonalds at least couple times a week until he moved to Owasso. Rest in Peace, Butch.*

*Barney and I were always happy to run into Butch at his class of 60 luncheons. He was always friendly and glad to see old friends. I remember way back in the old "dragging main days", my car wouldn't start and he stopped and got it running for me. He knew what to do with cars. He will be missed.
