“ I was so fortunate to have known and worked with Joan since I joined the UHS staff in 1982. We developed a bond through our love of working in education, sharing many funny stories, being co-counselors, and both having a love for meatloaf sandwiches. I cherish all those memories and have a special place in my heart for dear sweet Joanie!!!! My love to all her family! Brad

“ *What a privilege to work for years with this beautiful woman. She taught me so much and was loved by some many. She never saw bad, only good in all people. The faculty, staff and students loved her dearly. I will forever cherish our memories.. My heart is heavy, but i know Heaven has gained an Angel with many crowns. Love and prayers to her family.*

*I worked with Joan for several years. She was such a positive loving person. She loved her family and her Union family. If Joan is not in heaven there is no hope for the rest of us. Joan will always have a special place in my heart.*
