“Kacey King and I sure enjoyed the many times we were welcomed in to JoAnn's home when the kids were all growing up. We spent endless times in the Lambert swimming pool and in their game room. She treated us like family and her hospitality was great. Kacey learned how to swim there and sometimes he even called her Granny because Doc did. I know she loved her family with her whole heart and was proud of them in everyway. She will be missed. Love you guys! SuAnnie!
