OBITUARY FOR JOANNA CHAVEZ

Joanna “Jody” May Chavez was born September 17, 1959, in Tulsa, Oklahoma, to Donald Revell and Nora Maxine Richison Roberts. She died Monday, August 2, 2021, in Owasso, Oklahoma, at the age of 61 years. Jody completed her secondary education in Tulsa and graduated with the Central High School Class of 1977. Soon out of high school, Jody began an over 40-year career with Cox Cable Company. She was incredibly dedicated to her work life and even though changes were sometimes hard, she rallied and did her best to be the queen of tribal knowledge and even the who, what, where, and why things were done.

Jody loved to travel and took every advantage to extend a work trip by a few days and have an adventure. She was always up for a good road trip and museum. She had grand adventures in Atlanta, Memphis, St. Louis, Phoenix, Las Vegas, New York, Atlantic City, and even Oklahoma City.

Jody was also a lover of good food. She was a fan of anything home cooked. Her favorite eating places were mom and pop restaurants like Nieves Mexican Grill, Nelson’s Buffeteria, Shiloh’s, Savoy, Tandoori Brothers, and Amazing Thai Cuisine. If the appetizer game was on point, that was even better!

Jody loved blessing her friends and family with support. Sometimes you would come in and find strange things on your chair like a headlamp for crocheting, or a mosquito hat for camping. If she could get it on Groupon that was even better – She loved a good Groupon!!

She loved a good potluck or just lunch. She developed a reputation for planning potlucks with the IT team in Tulsa and also just making lunch for all in a crockpot. She did not enjoy cooking for one, so this was the way to cook for a group. She loved any gadget and Pampered Chef.

Jody enjoyed music and attended many concerts, that might surprise many people, including groups such as Sammy Hagar, Trace Adkins, Toby Keith, Three Dog Night, America, Joan Jett, Tesla, and Styx. Jody leaves behind many friends who hold many cherished memories.

Family members include her brother, Don Roberts and his wife Lisa, and her sister Gloria Roberts, her nieces, Angela Carlile (Charles) and Hanna Roberts.

Memorial service will be held 2:00 Tuesday, August 10, 2021, at the Mowery Funeral Service Chapel in Owasso with Pastor Leonard Pirtle officiating.

Private family disposition will be held at a later date. The family requests memorial contributions be made in Jody's memory to www.streetcatstulsa.com or www.garysinisefoundation.org. Arrangements and services were entrusted to Mowery Funeral Service of Owasso. www.moweryfs.com

“ Jody - I am going to miss our long conversions. Our 30min 1x1's turned into more like 1.5hrs sometimes 2hrs. Our work related meetings turned into getting to know each other conversations, You taught me so much in our short time as your manager. You always went out of your way to make sure the folks around you were ok. Always giving - not receiving. I told my daughter to hang on to the onsie you got for my grandson because they came from a special person. Rest Peacefully in Heaven Jody!

“ Don, Lisa, & family,
My deepest sympathy and prayers to you and
your family. Jody will be missed and
well remembered. I have listed a few things
that come to mind when I think about her...

*Do NOT spit in her trash can.
Cut the cake in same size pieces.*

Generous!

Loyal!

She LOVES her cats!

Believed in the Gary Sinise Foundation.

Memory like an elephant.

Always supported school fund raisers.

Opinionated!

I want Jody to be on my Trivia Pursuit team and Family Feud team.

*With Jody on your team, your team is going to win 99.99% of the
time.*

GROUPON! She loved to Groupon.

I would say to Jody “Do you know where Port City MHP is located”?

*Jody was a walking GPS...she could tell me how to get there
including the which highway and streets to take to get there.*

I thought is was funny that she did not like to drive.

Flavor coffee creamer!

Do not leave unused time on the microwave. Clear it out!

*Countless times she was the last one leaving at the end of the work
day.*

LOVES Four Layer Dessert. Damn Good!

Did I say she LOVES her CATS!

Rest in Peace, Jody.

“ I have learned so much from Jody. She helped me in so many ways, she was a plethora of "useless information" according to her LOL, great at trivia. Such a funny and kind person. I think of her every time I cook my artichoke dip in the clay dish she gave me, use groupon, or eat asian or Indian food.

She remembered every ICOMS screen she ever saw and knew enough about Excel to help anyone at work in a Jam.

She would weigh in on any problem or question you put out there with her whole heart. I miss her, love her and she is a true part of the betterment of anyone who knew her.

Rest easy my friend.

“ She was a hoot PLUS! I remember she received an \$80.00 free play from some little known casino in Perkins way back when. Well that started the whole thing...me, Terri Long and Jody took off to Perkins and came back around 5 am next day. I was asleep in the car while Jody talked to our driver (Terri) the entire way back to keep her awake!! Good ole' Jody always had something to say about a lot of stuff. From work (we all worked in the same dept at Cox) to food to cats....you name it, Jody had a story or something to say about it. Last text I had from Jody she was in decent spirits not know for sure her outcome. God speed Jody and may the good Lord keep his arms around you and your Heavenly family.

“ I will never forget the many laughs shared with Jodi. My first trip to Oklahoma was filled with terrifying tornadoes for this California girl. I remember getting out of the car and running back to my hotel room when the siren went off and Jodi laughing hysterically letting me know I looked like Big Bird running across the parking lot. Big Bird became my new nick name anytime we chatted. Although the experience was still terrifying for me, she explained thoroughly why there wasn't any need to take off running when the sirens went off and ensured the rest of my trip was full of laughs. I will miss all the funny memes she would send me and her kind words. RIP Beautiful lady! I love you.
