“ *Jody was the sweetest person and went out of her way to take care of the people that came into the pharmacy. I know several times she would be filling a prescription for us and would find there was some sort of a problem. She would run you down in the store to tell you in person what the problem was. We will all miss her tremendously, but know that she is being held in the palm of God's hands.*

“ *You will be so missed sweet girl. You weren't only a pharmacist you had become my friend and also my therapist on crazy days when you were working. We shared the love of our kids and just share life and memories. You with you 2 boys and me with all girls. You will be so missed. Anticipation for your return home here in owasso but never expected that God was ready for your angelic face to be home by his side. You will missed greatly. Your smile was beautiful and you laugh infectious. Your husband, boys, and family will always be in our hearts and prayers. My family misses you all ready.*
