“ Dr.Hudson was more than a patient of mine. He was a great friend, teacher, and a true man of God. I would take him to the Y weekly and he pushed me to be a healthier person! I even learned to be a better cook! I loved cooking his favorites for him and his family. He and his family have stayed in my heart and made many memories I will cherish forever! I've missed decorating his house for Christmas!! I know he's dancing with his beautiful love of his life now. God bless you Hudson family, you are all in my prayers❤️

“ Our special friendship with John and Jean started around 2000 and we enjoyed many good times with them They were great traveling companions as we went to Hawaii, the Grand Canyon, Carlsbad Caverns and many trips to Branson. We still missed Jean but continued a good friendship with John. John was a very special, loving, generous Christian man and was a blessing to all who knew him. He will be greatly missed by all!!

“ I will miss Dr John, his smile and laughter when he was picking on someone. Which he did quite often after SS when the group went for lunch. He liked blowing his straw wrapper at Mary Ann because he knew the wrapper blowing contest was on. Hope you're enjoying all the beauty of heaven Dr John. Linda Smith
