August 2, 1949 - July 15, 2020

John Michael "Mike" Hutton was born on August 2, 1949, in McKeesport, Pennsylvania, to John Albert Hutton and Merle Marie (Honse) Hutton. He died on Tuesday, July 14, 2020, in Tulsa, Oklahoma, at the age of 70 years. Mike was raised and educated near Greensburg, Pennsylvania and graduated with the Greensburg High School class of 1968. After returning home this time, Mike learned the trade of welding through different shipyards in Indiana. He moved to Owasso, Oklahoma in 1982 in search of a career in welding. He was married to his second wife, Jerry Lynn (Wecker) Hutton on January 23, 1995 in Eureka Springs, Arkansas. He is survived by many of his loving family.

“ *There are so many stories I could share that I don't even know where to begin. I just remember all visits all those years ago and the fun we had. I loved it when you guys came into town especially with the big toy box on the Jeep. Tons of great memories. I just wish I was able to be there for support.*

Love and tons of hugs.

“ I recall talks between George (Geo) and Michael. Michael would always say “hey Brother” in reference to Geo. May God console and hold those left behind. Peace be with the family. Michael is wrapped in the arms of the Lord now. Bless Jerry and Family. Sincerely Zeeky Vincent from Las Vegas, NV.

“ Mike was my big brother and I loved him so much. He was a big tall man with a big voice but was really just a teddy bear inside. I'm really going to miss so much about him and his jokes and funny stories. He loved Jerry, his wife so much and they were such a great couple together. They did everything together and I always admired that. He was so very proud of his family and just adored his grandkids. My heart just aches for you Jerry, TJ, Tammy, Matt, Drew and Christie. He loved you all so very much. I'm so sorry that I can't be there but know that you all are in my heart, thoughts and prayers. Love you all. Beck

This video was taken in 2018 @ Atwoods Ranch Store in Owasso, OK. In the video is Michael & Becky. This is one of my very favorite because it is quintessential Michael telling one of his tales. Love you brother!

“ Brother

You've been a part of my life since it began...

You taught me dear brother-how to be a man.

During times of question-I'd look to you...

In times of trouble-ask myself; "What would he do?"

I'll never forget brother-your contagious laugh...

How we'd reminisce about times of the past.

Eating hot dogs together under the Indiana Sun...

Four-wheeling in your Jeep on Vieques Island-gosh that was fun!

"George we're going fishing in the S'canoe"...

Fishing was boring-but I got to hang-out with you.

"I'm so thirsty! Is there any Bug Juice?"

Road trip to Texas-Zephyr Metal Craft put you to use.

I remember so vividly your immense pain...

When we all had to say good-bye-to our dear-sweet Elaine.

God has a way of giving us what we need...

He brought you to Jerry-our Jerry...indeed.

Twenty-five years of beautiful companionship...

Together on life's journey-the two of you went.

Here dear brother our paths now part...

I'll cherish the memories-you'll be in my heart.

I'm glad your struggle has come to an end...

My heart's broken now-but one day will mend.

Rest well my brother in God's warm embrace...

Until the day-again, I see your sweet face.

“ I remember Mike from when I was a little kid. He was so shy. Mom, Dad, Lynn, and Grandma Honse and I went to visit Uncle John and Aunt Marie in Indiana in the summers. We always had so much fun with my cousins. Mike and his wife came to visit my Mom one day and they stayed the afternoon. Alot of remenising about the good old days. Mike was a Vietnam Veteran and also served in Antarctica. You will be missed Mike.
