“ I remember in middle school that I thought John was a body builder because he was so buff! I moved to wash in 6th grade, and he was always very nice to me. We had a couple of classes together, and in band together, where he was an excellent trumpet player. I especially appreciated when he helped me make a toothpick bridge for some class that I was clueless about how to make. He was a great guy. I'm sorry he is gone so soon.
