“ I am so sorry to hear about John's passing. I have fond memories of our MYF days playing 4-square, ice cream socials and choir practice with John always being a big part of the activities with his fun spirit and laugh. Gail and Linda, you are in my thoughts during this sad time. He was a good person.

“ Rest in Peace, Johnny. You were a friend at every turn, someone I could always rely on. You shared many happy memories with us all, and confided a few not as happy. You will leave a huge hole in the lives of all who knew you, myself included. Miss you already, Dear Friend.

“ *Johnny was a good man and a close friend. We became friends when the 77th Pennsylvania Volunteer Infantry sponsored a Civil War Venture Crew with the Claremore Boy Scouts. Johnny and I became close over the years through reenacting and the Sons of Union Veterans. He shared many happy stories of his past, and confided in me some that weren't as happy. I am proud to have called him my friend, and I will miss him terribly.*
