“ Johnny and I were friends in elementary and Jr. High. We always had the sweetest smile and I wish we could have met again before he went home. We just recently connected on FaceBook. My prayers are with the ones he left behind because he will truly be missed I know.

“ Worked with Johnny at American for years in the same shop. What a joy to be around. We had great conversations and shared some great food. I learned a lot about how to get along with people by being around Johnny. May God grant mercy, grace and comfort to Johnny’s family. What a great example of a human being Johnny lived before us.

My heart is broken to hear of Johnny's death. We've known each other since elementary, but have just in the last several months re-connected through FB. May his soul rest in peace, and my prayers go out for his wife, children, grand children, his sister Abby, and the rest of his family. God Bless.

“ Johnny was a true friend and I have many memories over the years, but one I will share just took place this year while my wife and I were on vacation with Johnny and his wife Mary Jane. We were in vicksburg Mississippi looking for a place we wanted to visit when we passed the turn, so at the next intersection I told Johnny turn here. Johnny turned and it was a one way with four lanes, it was so funny to see him swing left then right and back left and then he headed for the curb to go up into the grass but then he cut over to a side street and it was a four lane the wrong way again, we finally got out of the bad situation. We have had lots of laughs over it, and yes it was my fault. We are going to miss him so much, he was our true friend.
