“ *I first met Joe at TWA working at Chicago O'Hare field where we started about the same time. We became good friends and had a common bond in flying. We spent countless hours flying together. Joe was one of the best pilots I have flown with...and I have flown with hundreds of professional pilots. When we were both furloughed from TWA in Chicago, we drove out to San Francisco and worked at TWA there and were roommates for a few years. That's when Joe met the love of his life Linda. Joe and I have both moved around the country quite a few times and always managed to stay in touch. I will miss him dearly, knowing he is no longer just a phone call away. Our sincere condolences to Joe, Amanda and the entire DiCiolla family for your loss.*

“ *To the Family of Joe D, Myself and my family were very close. I knew his family for many years. We were in the Service together and worked together at TWA . We also hung out at the Dummy Club at Pulaski and North Ave. Great times. Were close to both Joe and Linda for many years. Shared many good and somewhat strange times together. He has a great family and I wish them many condolences and will keep all of you in our prayers. May the Wind be at your Back, my brother. I'll see you at the Park Bench we talked about many times. Love, Bill Palmeri and Family*
