“ Dear MaMa,

You will always be so close to my heart and forever with me. You have taught me how to be a better me every day. You constantly welcomed me with open arms and a beautiful smile. You are my MaMa! You made me feel special. If I had fear, you took it away. If I needed to smile, you took time to make me smile and laugh. If I was sick you comforted and cared for me like the BEST MAMA EVER. You have no idea how much you have impacted my life, not to mention so many countless others.. I can never thank you enough for any and all the special things you did for me. I dream of you...sometimes I cry only because I wake up and realize you are no longer here. Sometimes I smile and laugh during my dream because we are together...usually shopping...lol... I don't have enough words to tell you what an impact you had on the whole family. You are Daddy's Wife, you are My Mom, you are Travis, Curtis and Trey's Grandma Judy...and you also made it to a great title...Great Grandma Judy! I am only sad for myself that you are no longer with us, but I am very happy for you to be where you are, because I believe you are no longer in any pain, and you deserve nothing but the best...it's incomprehensible the impact on so many lives you made...but trust me.... You did!

I love you to the moon and back to infinity and beyond!

Love and see you soon,

Sweet Pea
