

Julieanne Bruton

September 26, 1957 - June 10, 2025

Julieanne Bruton, 67, passed away the morning of June 10, 2025, surrounded by loved ones. Born September 26, 1957, Julie was a beloved wife, mother, sister, aunt, and most importantly, grandmother, who loved every minute she spent with her family and friends in Oklahoma and Missouri.

Julie's 30-year telecom career and time at Kohl's gave her pride in her work ethic and ability, and was the source of a lifetime of incredible friendships. Julie was an avid reader, an amazing baker, a devoted gardener, and a die-hard fan of Oklahoma Sooners football. She spent months painstakingly crocheting blankets for her family, friends, and every newborn baby in her life.

Julie and her husband, Barry, traveled the world exploring islands, relaxing on beaches, hiking trails, and snorkeling at every opportunity. Their more than 27-year marriage was full of love, acceptance, laughter, and adventure.

Julie is preceded in death by her daughter, Alison, mother, Mary Lou, father, Robert, and nephew, Andy. She is survived by her husband, Barry, children, Christopher, Daniel, and Robyn, their partners, Allison, Emily, and Joshua, grandchildren, Jeremiah, Noah, Ben, Nick, JJ, and Zach, who were the lights of her life, and lifelong friends who she loved like family.

In lieu of flowers or donations, we ask that you show your family and friends

the same love and acceptance Julie showed to all of us.

“*Julie was an amazing woman. I met her in New Jersey when her company took over MFS. She told us I could move to Oklahoma or San Antonio. I asked her if I could check out both. She accomated me to both. I am glad I chose Oklahoma. She was a terrific leader and welcomed my family. We spent many summers at her house to great food and fun!! Julie was a great support while I learned my job and guided my career at Verizon. Julie was truly amazing and will be missed!!! RIP Julie and may you be blessef!!@*

“*Julie was an incredible woman. Her daughter, Alison, was my best friend. Julie took both of us shopping once to pick out Ali's maid of honor dress for my wedding, and then of course took us to lunch at Olive Garden afterwards. After Ali passed, Julie and I stayed close. We went to brunch each year for Alison's birthday, and once my daughter was born she treated her as an extra grandchild. Julie LOVED to spoil my daughter, and she was always looking through Ali's things to find something special to pass on to me. I'm so thankful for the relationship we had, and I'll always be grateful that I got to keep a connection room to Ali's family through her. I'll miss her forever.*
