“ I met Karen through Jazzercise. After I found out that she worked in the medical field, I hired her to be our accounts receivable coordinator. She was a great employee and so much fun to have around. I will never forget her being glued to the tv watching March Madness! I am so saddened and shocked to learn of her passing. Condolences to Bob.

“ Karen and I worked at SouthCrest Hospital, but really got to know each other more when we left the hospital to work with My Supervisor at CareATC. Karen knew my Supervisor because she worked closely with her (me, just a few assignments with Karen at SouthCrest). Working with Karen made my job easier and fun. The best part of getting to know and value Karen was our Holiday contests and parties. The best contests were our Halloween contests. Karen had the best ideas for our theme each year as well as great ideas for making the costumes. Below is the one I love the most, 101 Dalmatians. She had some of us over to her house and showed us her ideas on the design of the costumes and helped us make them (actually supervised everything). She made the cutest Dalmatian, our Supervisor on the left was Cruella and I on the right, the Maid.

I tend to be not a great social person and mostly stay in the background more with Karen and our other friends because I just loved watching, listening and enjoying all their antics. Karen was Sassy and Feisty which was the best combination. I am Ornerly, which made us a great pair. I have missed you so much the past year and now know why. I will always be so thankful for the time we did have together and the Joy/Fun you brought with you.
