“ I'm so sorry to hear about Karen's passing. She was truly an Angel on this earth. A pleasure to work with her for many years and a true friend. An amazing mother of her own children, and the many babies in Owasso she helped raise at work. Amazing The only way to describe the way she helped raise those many babies. and love each one like it was her own! Heaven and Blake have her home now... I remember so well the first day I met her 1974 first day of kindergarten at Barnes elementary for my son Keith and her Lucinda. It was a fun year and 42 yrs later...she will be missed.' ”
