

Karli Alana Baumert

November 6, 1994 - December 24, 2023

Karli Alana Baumert was born on November 6, 1994 in Tulsa, Oklahoma to Glen Alan Baumert and Taren Tarene Withrow. She passed from this life far too soon on Sunday, December 24, 2023 in Owasso, Oklahoma at 29 years old. Karli was raised in Pryor, Oklahoma and graduated from Pryor High School Class of 2013. She attended Roger's State University in the Graphic Arts program. She met her partner Kenny in the fall of 2013 and quickly fell in love with both him and his two sweet daughters, Kordellia and Kenleigh. Karli and Kenny were true soulmates. They had their son, Krosby, in 2017 and added the newest member of the "K" flock, Karoline, just last year. Karli, her sister, Kasie, and their mother were all incredibly close. They all communicated daily. When they got together, there was no shortage of goofy dancing, laughter, and warmth. She was also a beloved aunt to her niece and nephew. Karli touched so many lives and always sought to see the best in people. All who knew and loved her were like moths to a flame. Her light truly burned so bright. She was magnetic, witty, stubborn,

compassionate, and beautiful - inside and out.

Karli spent most of her time raising and nurturing her children. She taught them about unconditional love, respecting nature, emotional intelligence, art in all forms, expression and pretty much anything else they were curious about. She was a very patient, kind, and downright fun mother.

Karli was involved in fostering and helping find loving homes for animals through SPACAR, a cause she cared about deeply. Along with her beloved dogs, Karli had a whole flock of chickens and ducks she cared for and adored.

Karli also loved gardening, cooking creatively and feeding her people. Art and music were very important in her life as evidenced by her beautiful, creative community of friends with whom she surrounded herself.

Karli is very deeply loved and will be endlessly missed.

She is survived by:

Her loving partner, Kenny Peacock

Her beautiful children: Kordellia, age 15, Kenleigh, age 11, Krosby, age 6 and Karoline, 7 months

Her sister, Kasie Espinoza and husband Angel Espinoza - along with Karli's niece, Vivian Espinoza, and nephew, Felix Espinoza, of Pryor, OK

Her parents Taren Withrow of Pryor, OK and Glen Baumert of Durango, CO.

Her grandparents Karen and Joe Withrow of Pryor, OK and Marge Dixon of Vinita, OK.

Along with so many special aunts, uncles, cousins, in-laws and the amazing friends she considered

family.

She was preceded in death by her grandparents, Larry Baumert and Merle Dixon, her great grandparents, Naomi Fowler and Charles "Pete" Fowler, and her beloved dogs, Ellie Mae and Izzy.

“ I think I first met you when you were 15yo, and I could immediately sense the light that shined so brightly from you.
We made each other laugh over silly things..."Cleo misses her secret dog shoes!"
I am blessed by memory absent your presence.
My subconscious had been chewing on me for the past few days, to check on you.
Only to find you passed from this life on Christmas Eve 2023.
You were a bright, shining, genius. You were a heart that cared, and hugged, and taught.
You were a mother and wife and sister.
Full of life. A friend.
So sweet, and an honor to have known you!
Rest In Peace Karli, til we meet again! ❤️❤️❤️

“ I have too many memories that I can't choose just one. It was like the universe always pulled us together. Ever since we met as teenagers, we instantly clicked. Playing Just Dance in the living room, to hanging out making mischief everywhere we went just having some harmless fun, to running into each other every couple of months when we were running around Downtown Tulsa or at concerts. She always light up my life and made me realize that life was more than just the normal day-to-day grind. She took life to the fullest and showed everyone around her how much you can just enjoy everyday no matter what was going on. Her smile and laugh were contagious and lit up any room she walked in. There was this one time that we ran into each other in the bathroom at the Max in Tulsa, and we were both going through a rough time and we just sat there and held each other and told each other how much we loved each other and how great the other person was. She left her imprint in our world and will never be forgotten. She felt like family to me. My thoughts and prayers are with the family.
