“ I worked with Kay for many years and enjoyed our friendship throughout the years! She was a gentle, generous and humble person. I miss her and will always remember the times we shared.

“ Kay was a dedicated mother and grandmother. She was a big part of her grandchildren's lives and was happiest when she was doing things with them. Kay and I would spend hours together at Olive Garden. We laughed a lot and helped each other through the tough times. Some people would ask us if we were sisters. At the end of our conversations, whether in person or on the phone, she would always tell me that she loved me. I will miss you Kay... I LOVE YOU.
