August 26, 1961 - June 8, 2020

Kelly Colleen Highland was born on August 26, 1961 in Grove City, Pennsylvania to Harry Alan McCurdy and Sandra Lee (Reiser) McCurdy. She passed from this life on Monday, June 8, 2020 in Owasso, Oklahoma at the age of 58 years. Kelly was raised and educated in Collins, Ohio and graduated with the Western Reserve High School Class of 1979. She spent most of her working life as a Mortgage Lender and was a well-known name in the Tulsa market for over 30 years. Kelly was an avid runner in her earlier years and enjoyed a variety of past times such as talking on the phone with friends and family, loving dogs and supporting local dog rescues, but most of all she enjoyed hearing from her grandchildren. She will be remembered as vivacious and full of life. She was always available to lend a listening ear and a kind word of encouragement. She was a loving mother, daughter, sister, and friend. Those she leaves behind who hold many cherished memories include:

Daughter;

Kristi Edwards and husband Colt, of Gladewater, Texas

3 Grandchildren;

Connor, Caleb, and Poppy

Son;

Matthew McCurdy, of St. Petersburg, Florida

Sister;

“ I don't know where to start. Kelly was my best friend growing up, and we never lost touch, remaining friends forever. We met on the school bus when I was in 5th grade and she in 4th. We studied for the spelling bee together on the bus. We lived a mile away from each other, but when you live in the country that is pretty much nothing. I grew up with the McCurdys. We played a lot of dodgeball and other games together. In junior high, Shelby moved into the neighborhood and the three of us rode our bicycles everywhere! Into Norwalk to McDonalds and the Dairy Dee, among other places. In high school, Kim joined the bunch and it was nonstop fun! We all worked at the Holiday Inn in Sandusky and had so much fun together! Throughout the years, we always kept in touch and visited with each other. The last visit we had with Kelly was when Shelby, Kim and I visited her in Owasso. We spent four days hanging out around the pool and enjoying each other's company. These are memories that I cherish. Kelly was very much a people person, and so, so funny. I am so grateful that she was a part of my life. I miss her dearly.
