“ I met Kim at Vacation Bible School when we were 11 years of age. Her personality from the day we met was sparkle and shine. We never spent a moment together that did not involve laughter. Our paths went 30 yrs w/o crossing, then we ran into each other at Grove, enjoying our favorite musician, Michael. I hear, " Hey Cherie..." the laughter was on as if we had not missed a minute of time. She always made her friends feel special. Home girls! I will always have many fond and joyful memories of Kim.

“ I met Kim in 1980, when dating Bob's younger brother Kyle. She immediately became a friend, took me under her wing and made me laugh. From that day forward I never spent time with her without having a great laugh! She remained true to herself all these years, became a great mom, and grandmother and sister-in-law. I know she is laughing as I write this because one of our best memories was the first Elton John concert we ever went to. Won't share more than that, other than the people involved, still know why she found this hilarious. Kim rest in peace, hug my mom, your parents and Bob's parents and set the record straight, have a great celebration and keep them all laughing. Love you forever! You will be missed.
