“ To Karina and family,
Please accept my deepest condolences for the loss of Klayton. I never had the pleasure of meeting “fiver”, but we have communicated for years through the Sears installers web and Facebook. I told him I would be heading to OK someday with the perfect coin for him to create a ring. His artistic talents and gift of gab were always inspiring. Be strong and stay close to family, especially Gavin. He needs his father’s influence, and that will come through you now. Hugs

“ *Klayton, may you rest in peace knowing that you truly were a good man. You will always be that 16 year-old kid with long black hair, who dated my sister and ended up being the brother I surely will miss!!! Love you always, Steph*
