“ So sorry to hear about Larry. He was a great playmate as we were growing up since we were so close in age! We had lost touch in the past 40 years. My sympathies are with his family

“ My dear friend, I will always remember your Christmas songs at the ole S&L parties...always a big hit. Our fav Garth song, Friends in Low Places, which you dropped me on the floor while two-stepping. Too many to list, but you were always kind to me, and one of my best buddies over the years. I'm sure you'll be singing and playing the guitar when I get there. Fly high, my friend!
