“ *There are no words to adequately express how much my Uncle Larry means to me and my family. This is a difficult time for everyone that loved him. His kindness and his unconditional love leave a great legacy for us all to live up to. He did not judge anybody and was always fair and considerate. The world lost a great soul.*

“ *Uncle Larry was a kind and gentle soul that loved his family. I remember his great hamburgers with the Hespis. You will be missed by your family however they will find comfort knowing you are resting in peace. God bless to Doug, Ruth, Heather & Family. Sincerely, Anita McKinley*
