“ Larry was my uncle who I loved so much. Larry always made me feel like I was number one. When I was a kid I always enjoyed spending time with Larry. He was the kindness, caring and most loving man I've ever known. Let's talk humor and that's my Uncle Larry, we spent so many times just laughing and enjoying each other's company. Unfortunately the past years we haven't been able to do that but not a day went by without thinking about Larry. I know that Linda and Larry are singing God's praises in his heavenly choir.

“ Uncle Larry holds special and loving memories in our hearts. We always looked forward to visiting Joanne and Larry at their homes in Florida and enjoying days of laughter, good food and just sitting around enjoying each others company. It always made our day. Larry would always enjoy a good laugh that we can still hear in our hearts whenever a humorous story was told. We have so many good memories of when all the cousins of Kendall and Amy would get together at their home. Sharing family memories and stories where special to all of us. Larry was one of the most kind, caring, and sincere people we have known and will be forever missed in our lives. May God bless him as he sings and laughs with all of us from Heaven.

“ Larry was a very special part of our extended family. He loved music and enjoyed playing his piano and singing. He always made his wife Joanne laugh, we loved seeing them together. Even when we knew he was in pain he had a smile on his face and loved to joke with his wife and family members. He was able to see his two granddaughters married and meet all of his five great grandchildren. He will be remembered with love and thanksgiving for the faithful husband, father, grandfather and friend that he was to so many. We love you Larry, this is your first Christmas in heaven, we rejoice in that.

“ Mr Sutter and his wife were an immediate encouragement to me when I first met them at rejoice. Mr Sutter always willing to learn a new song and sing it to God like he has heard it all his life. Engaged in the music and the preaching. He was a barnabas , son of encouragement, to me like he had heard me preached all his life! He would always have a kind word, an encouraging though and a smile on his face. His countenance of joy helped our congregation and my wife and I will miss him but we will see him again in eternity due to the work of Jesus! His son is carrying on the torch of hope and help to many who need it. Thankful to call this entire family friends. God blessed us at rejoice when he sent a family from Orlando to Owasso!
