“ I will always love and miss aunt Linda! From her ghost tours and scary stories to trekking out in the snow to take us to Crystal's pizza; She could always make room for all the kids around!

“ Fun memories of Linda picking me up and taking me home from waiting tables at Warrens along with the cousin crew. The white sedan and the blow up lights that transformed her car into a police cruiser until they blew off the car. She always had a car and house full of extra kids. Big heart!
