“ I had the privilege of playing piano for Linda when she sang in the choir and sang solos at FBC, Barstow. She was always so concerned about getting it “right” but it didn’t matter because it was always beautiful. She was always kind and loving, her heart was obvious. My heart goes out to you, her family. I know it was very difficult dealing with this disease but she is now free of all those physical encumbrances and is singing and moving about freely in the presence of Jesus! 💕🌸

“ I remember Linda for her pretty voice and solos she sang for church services.
I remember her faithfulness to Jesus and to her church. I remember her children growing up. It was sad for our church when her mother and father moved to Oklahoma and Barry and Linda moved. They all were special people. Wherever they went, I know ,
They served the Lord.

“ *What started as a quest to understand a unknown disease, turned into a beautiful friendship that lasted twenty five years. We cried a little, but laughed alot. Laughter truly is the best medicine. Linda was a strong, beautiful woman that loved God,her family,and friends. We had some great adventures and talked alot. She will be greatly missed, but never forgotten. We will see her again in heaven. Thank you for the friendship,laughter, and even the tears. Love you, my friend.*

“ *Linda was a dear friend from Barstow. I had the privilege of singing with her, Barbara Mathews and Bob Eaton in a quartet and in the First Baptist Church choir. Her parents lived across the street from us and were dear friends as well. We will miss her greatly and will think of her often.*

“ *Linda was best friends with my sister Lorna and because of that, we were all close friends and our kids grew up with each other as a result.*
Linda was such a sweet and funny person with a heart of gold. Because of her Christian beliefs, She is now in Heaven enjoying her new glorified body and serving God. God's Blessings to Scott, Deanna and the rest of her family.

“ I have a memory of Linda I want to share. This may sound silly but it's whats in my heart. The last time we came to Claremore to visit Linda she said let's fix tuna salad sandwiches for lunch. Jerry and I pitched in to help her. As the eggs boiled and we mixed up the salad she asked me to get the celery out of the fridge and chop some up. I commented that I hadn't put celery in tuna salad before. Linda said, “ oh I can't eat tuna salad without my celery” so as instructed I chopped up the celery and added it to the mix. We ate a pleasant lunch and I loved the celery in the salad so much I always add it to our tuna salad now. Since then whenever I make tuna salad I always think of Linda. Today Jerry and I are having tuna salad sandwiches in remembrance of Linda...with celery of course! Love you Linda ❤️

“ So many sweet thoughts and memories of Mrs. Colby. My life forever changed the day I accepted Christ in her Sunday School class, FBC Barstow. For some reason, nobody wanted to leave her Sunday school class. Her love and encouragement forever impacted my life and every other child/teen who came in contact with her. She loved Jesus, and lived a life loving and serving. Love and prayers lifted to the Colby Family. May our Heavenly Father comfort you and give you strength. Trish Johnson-Berczynski

“ I knew Linda for about 30 years, we met at work and kinda worked together. She was probably the best and hardest worker at her job than anybody at AA. We became friends, there wasn't very many of us women out there at that time we had to stick together. I think everyone that knew Linda loved Linda. She was funny, honest, dependable. Even with her MS she was a delight to be around. Linda was my best friend, my confidant, my soul mate. I wasn't ready for her to go but God had her place ready and I know that place is awesome, and she is pain free and has joined Barry again and she is happy. I will miss you so much. Good bye for now. “ I didn't grow up with an Aunt or much of an extended family but you so unselfishly allowed me to wiggle my way into yours! What better person to adopt as my Aunt than one of my Mom's very best friends?! Auntie Linda you were known to me from a young age.

You loved so fiercely and so strong and you were such a wonderful example of a faithful wife and mother and follower of Christ.

You'll never know how much you mean to me but I hope that I'll embody your strengths and what I've learned from your wonderful example.

*With love forever,
Nicole*

“ *Sweet Cousin Linda: It is with comfort to know you are no longer suffering from the ails of our aged vessels. Have thought of you often through the years. We shared a barn full of cousins as a result of the Mathews/Dyar/Edmonds mergers. We grew older and spread our wings over the land making our visits fewer and fewer, but our Christian love remained steadfast. Looking forward to seeing you again on the other side, and we'll have that long overdue visit. With much love, Cousin Cheryl*

You will be missed here but I’m happy you’re resting peacefully in the arms of Jesus now. I love you.

“ I have been so blessed with Linda's friendship since kindergarten, 68 years.
Linda, Barbara & Willard were such a positive influence in my childhood, especially spiritually, attending Grandview Baptist church where Mr. Mathews preached.
We were typical teens of the 60's, boy friends, giggles, school days hijinks, giggles, sleep-overs, giggles, lots of fun amidst typical growing pains and challenges.
Young adults raising our beautiful children, Scott, Trevor & sweet little Deanna, was such a special time of our lives and later sharing stories of our grandchildren and great grandchildren are such treasured memories.
Even though there were periods of time we were not in touch, we knew we were always there for each other.
I love you & miss you so much, my dearest friend 😭
Till we meet again in Paradise,
Lorna 🙏😊🙏

“ Thank you so much for being a wonderful mother-in-law. You were so good to us. You were the most selfless person I have ever known. You gave me a husband who I love and 2 of the most beautiful daughters anyone could ask for. You loved Jesus and were a wonderful example to those around you. It was time to go but I will see you later.

“ I was so sorry to hear about Linda's passing. I
have such fond memories of her when I lived
in Barstow. I always saw her as a truly sweet
and caring person. I met Linda through my
sister Lorna when I was very young. I know
that Lorna felt more like Linda was a sister than a friend. Linda will
be missed by all who knew her. My thoughts and prayers are with
all of her family and friends.

“ I met Linda 51 years ago and we were instantly friends. We shared so much but mostly love of family. We were like sisters, laughing, dieting , shopping, raising kids, crying over the loss of loved ones, And now I cry for you my sweet sister , you will always be close to my heart I love you so much
