“ I just learned today of this terrible loss. Not much more to say than to confirm everything that has already been said. I didn't know her outside of her job but I always looked forward to seeing her and chatting with her there. Just wanted the family to know she was truly a rare find and will be missed.

“ Sweet Linda, I always look for her everytime I am in Walmart, so I could say hi and ask she was doing. She would always have a smile and say hi or wave when she was real busy and ask how I am doing. I talk with her about my diamond paintings and show her pictures. I brought her one of the painting to do, not sure she ever found time to do it. Linda is and will be greatly missed!

“ I met Linda 12 years ago at Walmart! Her work ethic was awesome and a very loyal employee! She became one of my dearest friend's the last year of her life...she inspired me on how a Christian should act! She was always so welcoming in the mornings when I arrived to work and always greeted me with her contagious smile. She always had something positive to say to me in the mornings upon my arrival. She will be greatly missed. We enjoyed going to church together and occasionally would go to the movies. Love you sister and I know that one day I will see you again! ❤️
