“ Went to high school with Linda. She was a fun girl that was very positive. Sweet girl. My condolences to the family.

“ How I loved Linda! She was such a precious Christian lady and has been gloriously delivered from this life from pain and suffering she endured, now beholding her Lord Jesus Christ face to face! Hallelujah!

“ Paula,
Please know that I am remembering your mother and the fun times we had as kids with all our Knight cousins in Kansas. I'm sure Auntie B and her parents were there to meet her when she left this world. My thoughts are with you and may your wonderful memories of her bring you much comfort over the coming days, weeks and months.

Love,
Cousin Julie

All words invented for this situation are incapable of making a difference. But memories of our loved one can, and they last. May God bless those memories and keep them shining in your heart.
