“ Words can't express enough our thoughts about Linda. Dedicated in accomplishing any task that was given with a sure confidence it would be done without any complaints. She was a great blessing to have been acquainted with over the years and it's as if she were part of our family. We know her family will miss her so much, and so will we too! - Don & Jo Holman

Don E Holman - October 17, 2023 at 04:47 PM

We didn't mean to misspell Lynda's name. It was a mistake, and we're sorry. We definitely know how to spell her name and would edit if at all possible. Please accept our apology for the misspelling.

“ I dealt with Lynda as a Freight Carrier for XCaliber and she was always so pleasant and wonderful to talk to. After our work conversations, we always took the time to talk about family and our kids and she was so personable and would light up when her family came into the conversation. I had the utmost respect for her in how she conducted herself both personally and professionally. I know that Her loss is felt with everyone who knew her and please accept my condolences...She will definitely be missed.
