“ *'My tears come in waves, I don't know what I am gonna do without you here. But I know you will watch over me everyday, just like you did my whole life. A mixture of sadness and jealousy rolled into my grief. Sad you are gone but jealous that you are home with everyone we love. You have always been more than just my Granny and I guess you always will be. My Guardian Angel on earth and now my Guardian Angel in Heaven...I love you, I miss you..I will see you again one day just inside the eastern gate. -Chelle'*
