“ *'My wonderful memories of Owasso in the 1960's always include the Helm family around the corner on 8th Street. Wish I had a dime for every time I passed your house. My thoughts are how great the whole family was to a knot head kid on Cedar Street, I want all of you to know I'm thinking of you during this time of bereavement and your mom's glory continues to shine through her remarkable children. May God ease your loss quickly and know your mom is celebrating everlasting life with the Lord.'*
