It was such an honor to call Mark my brother for 40 years. We shared many stories over the years. I loved the times we had lunch together with Ann. He always showed such interest, love, patience and a caring way to me and my family. We were so blessed to have had him in our lives . He will always have a special place in our hearts.We wish we would have been able to say goodbye to him. Go Rest High on that Mountain, Mark. Your work on earth is through. Rest in Peace. Love you, Kristy
