“ *I'm so sorry for your loss! I know Heaven gained another angel . I worked with Mark at the gathering place we always talked about the Lord and about his wife , These two subjects always seem to be the most important thing that Mark wanted to talk about. Mark was always in Good Spirits And worked very hard and very diligently to get his job done. I was so glad that I got to do life with him even if it was for a short period of time I will always enjoy the good memories I have of Mark and how he would always encourage me to put God first no matter what.* ”
