“Minnie and family , so very sorry for all of you, prayers are with you . I didn't get to see Mark that much just when we would stop by and visit aunt Doris . Or down at Grandpa Moore's at Mena . But what I most remember is staying awhile at aunt Doris house . Mark was around 18 I guess , he was always very nice to me even though I was just a kid about 13 or 14 . Lol He really could have just ignored me but he didn't . I remember he had a white Chevy truck with this little chrome steering wheel in it and chrome wheels on it , I thought it was so cool . Lol also I remember that first Camero he had built right out of high school . I know he didn't have to haul me around or really mess with me at all but he took me to see a James Bond movie that weekend and he drove me around in his Camero , I remember we went up through Noel Missouri , kinda of hot rodding around jammin out to Steve Miller Band and some Eagles . Lol we also got pulled over by the cops and he got a ticket . Lol so cool ! I thought ! Anyway Mark doesn't know it but He made a big impression on me back then ! I thought he was so cool !!! I remember him diving off the pillar on a bridge on beaver lake one time everyone else was jumping off , lol I remember Mark did a perfect swan dive off that pillar , really awesome!! I'm 57 years old now and ever since that weekend hanging with Mark in his Camero I've worked on cars and trucks building my own hot rods just like him , and I'm still at to this very day ! I will always remember his smile and that chuckle laugh he had ! And of course can't forget that Elvis black hair !!! Lol. Mark was kind of my hero , back then !! I will miss him !! Hope I didn't write too much , just wanted to share my memories of him ! We will all come together with him in heaven down the road . He will still be flying, just on different wings , (perfect ones) .

Darrell Moore , cousin .

“ *Minnie, & family:*

I had only been around Mark a handful of times, anyone could see right from the start, he was a wonderful, kind man, that would do anything for a friend. My heart aches for y'all.

May the Lord be the refuge you need as you journey on in this life. Thank God we know this life is not forever - but Heaven will be - and you'll have eternity together in our Savior's presence.

“ I worked with Mark for many years at American. 13 years in NDT together in the wheel shop. He always lightened the atmosphere and help bring levity during occasional tense times. I always enjoyed his company and I am Very glad that he came over and visited me about a month ago. So very sorry for his loss. He was a good man. A good coworker. And a good friend. My prayers go out to his family at this time.
