“ *Ed, Fleeta, and family, I just want to express my deepest sympathy to you. I grew up in Freewill with your family and Brother Pirtle and have so many good memories of that time and of Mark. Your family was so kind and made me feel at ease as a child. We love you all very much, and thank you so much for sending us a condolence card when my father passed last week on Sept 5th, even during your time of grief. It meant so much to me and especially Doug. During your time of need you sent us a card of condolences for our father, and that is truly merciful. We love you all and will keep you in our prayers. Kelli (Pilgrim) and Doug Driver. ’* ”
