“ Robin and Misty, I'm sure you know you have very special parents. Martha was a lifelong neighbor, schoolmate and friend in our hometown of Bradley. I was a class behind Martha and my brother, Sammy, but being from a small town we shared many experiences--same teachers, basketball team, school bus route--and even a party-line!!! Martha was always an energetic leader and achiever and a kind and loving person, qualities you have continued to experience throughout your lives. She made wise decisions, one of course being her lifetime mate, Alan. We also shared the same church so I have the memory of her giving her heart to the Lord. I grieve with each of you in the great loss you feel, but I rejoice in her good life and example and that she is with the Lord.

“ What an amazing lady. She was always happy and smiling. She taught one of my sons in third grade, and he always thought he was her favorite student. What I never told him back then was that every student she taught thought they were her favorite because that's how she made all of her students feel. Martha's family will have so many wonderful memories of a strong, determined and loving person. We pray that God will bless and comfort the family.

“ Martha was a part of Sewing Bees Sewing Ministry at FBC Collinsville. She has such a sweet spirit. She was an accomplished seamstress and quilter was very helpful in our group. Whatever the task, Martha always pitched in to help. She will be missed and will forever be in our hearts.

“ Mrs. Hughes was my third grade teacher at Pawnee Elementary School in the 90's, and I adored her! I still refer to her as one of my favorite teachers. I had always loved to read, but she was instrumental in fostering my love of writing. What a wonderful lady she was!

“ Martha was a very lovely lady. I got to know her in a Sunday School class we both attended for a time. When my mother passed away Martha came to her service even though it was two hours away. I will always remember her kindness. Praying for all the family.

“ We were all blessed with Martha's presents! I saw early when her daughters came into the world her love for her children, her own and those she taught in school. The fun she and her family had at the lakes skiing and the beautiful flowers and yard she and Alan so enjoyed! I always enjoyed family meals together, as she really did know how to cook! A superb cook! Her love for Alan showed, and even though, he may have "tried her" she endured for many wonderful, loving years of marriage. I can say this as I too was married to a Hughes boy, with many years of a loving marriage. I'm so thankful Martha has been part of my life and know she is in a better place and we will see her again!

“ Alan, as you know, Martha and I grew up as neighbors and went to school together from the 4th to the 12th grade. She worked hard all her life helping on the farm to milk cows and help her Dad with the Broomcorn Thrasher. She was an outstanding student and basketball forward. She was at the top of her senior class. We graduated in May 1965. Martha will be missed by us all. A very good teacher, leader and friend.

“ I loved when Martha was my small group leader at Mom2Mom. She was the one that recommended my most favorite and encouraging book, "One Thousand Gifts." She was an excellent teacher and will be greatly missed by many.
