“*'Mary and I were at U.S. Department of Energy, Southwestern Power Administration (SWPA), at the same time, for almost 20 years. She was very meticulous in her work; property and procurement. We also bowled, on the same team, in multiple co-ed leagues. Most of the time the team would go out afterwards to get something to eat and Paula would usually show-up too. I would tease Mary that I could bake a cake from the time the ball left her hand until it hit the pins; it took awhile. Mary was fun. Liked her giggle, smile, and the way she shrugged her shoulders, but not as a gesture of doubt. I'll catch-up with ya later Mary and give you a big hug. '*
