“ I loved Matt like one of my sons. He was a precious person...(I had to scold sometimes too) He was a loving, giving, sensitive soul. He loved music, his family, his nephew Evan ❤️ and most of all, his precious Golden Caddy. We had alot of fun with our Goldens...He had 2, I have 2...we loaded them all up and took them to the dog often...😊 I know in my heart that Matt is healed now..in Heaven.and Caddy ran to meet him..licked him...playing fetch with a tennis ball at Elm creek pond...their favorite place ❤️🙏

“ *I remember Matt, Kevin and Chris in our backyard spending summer days on the trampoline as young boys. Matt loved his Golden Retriever. I used to bump into him in the neighborhood when he was walking him. It gave us a chance to talk a little and catch up on what he was doing.
My condolences to Mike, Sherry and the rest of the family.

Some of my memories of Matt, Chris, Kevin and Jordan are swimming in our pool, with Chipper, our dog, acting as the lifeguard. Many times after swimming stay overnight playing video games until early morning. They would all laugh and have a great time. In the morning, before they went home I would make them all an omelet to their order. You never realize how important these simple events can be until they turn into precious memories. I know Matt is now pain free and is enjoying being with all his pets in heaven. He's a very special young man and I will miss him. Thinking of you, Mike, Sherry and family and will keep you in my prayers.
