“ Mike was an awesome man. He was always so kind and helpful. I will miss him. One year me and my husband were in Cancun at the same time as Rita and Mike. We went out to dinner and when we were getting ready to eat a loud car drove by and backfired. At the very same time Mike was helping me with the ketsup and it splattered ketsup all over me. For a few short seconds we all thought I had been shot. Then we all just started laughing. We had a great time. May Mike rest in peace and be without pain. I am so sorry for your loss Aunt Rita. I am here for you if and when you need a friend. I love both of you very much.

“ Uncle Mike was a true blessing to have in our family. He was so selfless, and would always show up for you in your time of need. Any major life event I ever had Mike and Rita were there. Uncle Mike and I would joke he is responsible for my fear of flying, ever since he took me in his plane as a small child. He never gave up trying to convince me to fly with him again. I politely declined. He liked to get a laugh, and once flew randomly over our families home on the hill when we didn't expect it. You could expect if he was coming to visit you, or if he randomly showed up to your house, he would have a box of fried chicken and a container of macaroni salad. He loved his coffee at anytime of the day including Mexican restaurants at 7:00pm when we had a family dinner. He is the kind of guy who wears green tights and dresses as the grinch so his grandkids can laugh, as well as the whole family. He was there for all of us in our dark times and our good times, and always made light of any situation. He was a light in our world, and it brings me comfort to know we will all see our Mike we knew again, and that he is with our Lord and savior Jesus.

*Mike was a great neighbor  
And friend, he always gave me things he thought i needed, i would try  
to give them back but he would say i know were it is, if i need it,  
He would bring me water when i was mowing, and we would talk. A  
true blessing for many, a heart of Gold.*
