“ *'Mrs. Summers was one of the nicest and sweetest people I have ever known. She was passionate about her family, including all of the students that had the pleasure of knowing her through her as the school nurse. Ron, please know that you and family are in my thoughts and prayers through this difficult time.'*

“ *'Ron, I'm so sorry about your Mom's passing. She was such a wonderful, caring and generous person. I have so many good memories of her stretching way back to the days at Washington School and of course the many good times we all shared when we were close. I pray the Good Lord will rest her soul and give you strength. I will be in touch soon. Take care of yourself Ron. '*
