“ My Fondest memories with Olen were as First shuttle drivers at Tulsa University. The kindest most loving man. He shared many stories and pictures of his family life he so loved and the pride always showed. The music they shared and of course the cabin! Built with so much love and and untiresome trips, what a beautiful place for the family to share. His quiet smiles and funny side always brought a joyous heart. I can not speak enough about this man. I remember his big red truck and out pops Olen with a friendly grin and a Hello. I knew it was going to be a good day when Olen was there. I am so so sorry for the family I send prayers and condolences. Olen you will be missed and never forgotten in my heart. Rest in peace my friend. ❤️

“ I remember as a child going to visit Uncle Olen. His quiet, strong presence and the ever-present smile that made you feel like you were the only one in the room! Although as I became an adult we didn't get to visit as much as I would have liked I thought of you often, Uncle Open. You will be greatly missed! My love and condolences to Aunt Pat, Gary, Ronnie, James, Randy and the entire family!

“ I was part of a group of SHS FFA students along with my father that went to the Fort Worth Fat Stock Show & Rodeo. I had a pig in the show.
When we returned to Sundown during an Ice storm, Olen's Ford was really heavy with all the ice accumulation.

“ *This is the man who taught me how to play guitar and make sawdust. I remember the smile on his face last time we went to the store together to get a newspaper and some of his favorite ice cream. He will not be soon forgotten. May his memory be eternal. Love you Uncle Olen. We miss you. Andy*
