“ Pam was a very special friend to me as she was to so many others. We met at Bethel Baptist Church over 45 years ago. She was our Sunday School class President and she was always on top of everything! Pam was one of those very dependable people that you could always count on. She was such a wonderful example of what our Bible describes as a virtuous woman. She followed God's Plan for her life. I loved Pam and will so miss our phone conversations and just knowing that she was in this world....not of this world....but here for a time to share and experience God's love! She loved her family and was so proud of them. She will be missed so much, but Praise God, we can see her again and live with her eternally with Jesus as our Redeemer and Saviour! My prayers for the family in this time of loss. Carol

“ Pam was my friend, she was so faithful to our Sunday School class also to our church Graceway Baptist.

I'll miss our phone conversations, she loved going to Branson, before she got sick we had talked about going to Branson to the Site and Sound to see David.

To her children/grandchildren she loved her family more than anything, she was proud of all of you, and all your accomplishments.

I'm so thankful to have been called her friend, she will be missed so much.

Love you my sister in Christ, one day we'll see each other again ❤️
