“ *I had the amazing honor of working next to Patty the past four years. My life was truly blessed in profound ways by the impact she had on me. She shined the light of Christ into my life like no one else had ever done and pointed me lovingly back to God. She always talked so lovingly about her family and grandchildren and I'm so glad that I got to hear her sweet stories. She loves you all so very much. She was such a very special person and I will forever miss her kindness and joy in my life. '*

“ *'I am still in shock from hearing the news of Patty's passing yesterday and do not know quite what to say. The world has lost a gentle soul and Heaven has gained a loving Angel. Patty was always one of the most genuinely friendly persons I have ever met. When I think of her all I can see is her smiling face, I cannot recall a time when she was not smiling. While you naturally mourn her earthly loss today, rest assured she is in Heaven awaiting your arrival with open arms for a hug and a beaming smile of welcome. Your mourning shall become rejoicing in that hour of God's choosing. I pray God bless and hold each of you especially close in this earthly day of mourning. With Deepest Condolences, Love and Prayer - the Davis Family '*
