

## Patrick Dale Green

April 15, 1957 - October 17, 2023

Patrick Dale Green was born on April 15, 1957, in Wellington, Kansas to Glenn Samuel Green and Verla Glee (Brand) Green. He passed from this life on Tuesday, October 17, 2023, in Tulsa, Oklahoma at the age of 66 years. Patrick was raised and educated in Owasso, Oklahoma and graduated with the Owasso High School Class of 1975. He later went on to earn an associate's degree in computer science from Tulsa Junior College in Tulsa, Oklahoma and a bachelors degree in marketing from Northeastern State University in Tahlequah, Oklahoma. Patrick spent most of his working life as a Systems Analyst Manager for IBM, starting in 1983 and stayed with them until he retired in 2016. Over his 33 year career, he worked as a computer programmer and later became a manager and managed teams for IBM all across the United States and even managed a team over seas in India. In his spare time, Patrick enjoyed reading, going to concerts, watching movies, and watching the Kansas City Chiefs. Family was most important to Patrick, and he loved spending time with them and especially his grandchildren. Even while working outside of Oklahoma, he made sure to fly back to Tulsa every weekend so that he never missed a game or event of theirs whether it was soccer, band, color guard, or volleyball. Patrick also enjoyed spending time with and spoiling his nieces and nephews. Patrick loved to make everyone feel special and he loved to give. One of his favorite things wasn't the gift of an actual gift, but instead the gift of an experience. He would take the whole family on new adventures together so they could hang on to those special

“ The loss of your Father, grandfather and great-grandfather saddens me. Pat, as we called him, was a good friend through jr high and high school. Living across the street from each other we became close friends. Between the Green kids and Allen kids, and the rest of the neighborhood kids we could easily put together a baseball game at the ball diamond at end of block. Or, a football game behind Allen house in the pasture which is now part of the golf course.

Many times we would spend the day in the woods being kids, fishing etc. On one occasion Pat and Mike from down the street and myself were running through the woods down through the creek beds. I was in the lead. We were running at a pretty good pace up and down embankments and quickly ventured upon a skunk. I don't know who was more surprised, the skunk or us three boys. I shouted skunk and ran to the right. Pat ran left. As I looked back, poor Mike ran right up to the skunk. Too late! We called Mike Pepe Le Pew for a long time after that. Oh! And walking back home. Pat and I made sure Mike was about twenty feet from us as we stayed up wind from him.

And then there was the BB gun wars we had on occasion. (Don't tell the kids and grandkids!).

I always admired Pat's memory. In Mr. Dosset's history class Pat would be reading a comic book inside of his history book and turn around and make an A on the exam. I was always taking my books home to study. I'm sure that's why he was blessed to work with computers with his great memory.

After we graduated from highschool I didn't run into him for I believe a year. I saw Pat while visiting family on Carlsbad street during Thanksgiving or Christmas. He had purchased a motorcycle and traveled across the US all year. He told me he wanted to see the world. He Did!

Later in life we would see each other at highschool ball games and around Owasso on occasion through the years. You could tell he loved his family. There was always a grand child with him and Pat was smiling.

Patrick Green will be greatly missed!

*To the Green Family,  
May God's hope filled promises bring comfort to your soul and  
peace to your heart.  
With heartfelt sympathy!

*Thanks for sharing Jim, the Allen's and Green's always had a lot of  
good times together. Pat was a great man, that will be missed but we  
do know we'll see him again as he certainly was accepting of the Lord.  
We appreciate your thoughts and prayers  
During this difficult time...*
