“ So, I am feeling sad here Paul. Messaged you and you didn't answer. I've learned the hard way to check obituaries now at my age. Was trying to explain why I didn't get around to a jam session a cpl years ago but no doubt you understand this now. I promised you I would sing at your funeral years ago. I didn't know though so, arthritis and all, gonna break out the Ole guitar - light a candle and sing. No worries - I know which song. 😊 Have fun jamming in heavin with all our friends! Heck - you can even sing one with John Prine! I love you! Say hi to Mom! See you soon!
